## Work History

**Dental Assistant, June 2019 to Present**

Dr. Winston Chen, DDS

Tasked with efficiently managing patient care, office, and laboratory  
duties in a dental office with three dentists

Maintaining a clean, sterile, organized office space for patient  
comfort and safety

Helped prepare patients and instruments for expected needs with  
routine and advanced procedures

Tasked with exposing and processing dental x-rays, maintaining  
patient records and lab equipment, sterilizing dental instruments

**Design Practicum, January 2021 - May 2021**

Rutgers University - New Brunswick, NJ

Worked on the Seize the Time exhibition microsite, applying  
HTML and CSS skills and working with JS plugins

Communicated with Zimmerli Museum staff and collaborators  
on project details and requirements for collecting images to use  
on the microsite

Worked closely with other students in a group setting to discuss  
needs for completing work and taking on specific roles
